

CURRICULUM VITA  
Lori Waite Turner, Ph.D., R.D.

EDUCATION

The University of Alabama, Tuscaloosa, AL Health Education and Health Promotion	Ph.D.	1997
Florida State University, Tallahassee, FL Health Education	M.S.	1992
Florida International University, Miami, FL Dietetics and Nutrition	M.S.	1983
Florida State University, Tallahassee, FL Food and Nutrition	B.S.	1980

PROFESSIONAL EXPERIENCE

2010-present	<b>Professor of Health Science</b> The University of Alabama, Tuscaloosa, AL
2008-2010	<b>Professor and Chair of Health Science</b> The University of Alabama, Tuscaloosa, AL
2006-2008	<b>Professor of Health Science</b> The University of Alabama, Tuscaloosa, AL
2002-2006	<b>Associate Professor of Health Science</b> University of Arkansas, Fayetteville, AR
1997-2002	<b>Assistant Professor</b> of Health Science University of Arkansas, Fayetteville, AR
1996-1997	<b>Graduate Council Research Fellow</b> , The Graduate School, The University of Alabama, Tuscaloosa, AL <b>Research fellowship</b> provided for project "Risk Factors For Osteoporosis Among Older U.S. Women."
1994-1996	<b>Graduate/Research Assistant</b> , Health Studies Department, The University of Alabama, Tuscaloosa, AL <b>Instructor and Copyeditor/Guest Editor</b> for <i>The Journal of Wellness Perspectives</i> .
1993-1994	<b>Associate Evaluator</b> , Area Agency on Aging, Tallahassee, Florida. Evaluation of federally funded health promotion programs.
1990-1994	<b>Instructor</b> , Nutrition and Health Sciences Department, Tallahassee Community College, Tallahassee, Florida.

- 1990-1991      **Renal Dietitian**, Archbold Dialysis Clinic, Quitman, Georgia. Consultant dietitian for patients undergoing renal dialysis.
- 1986-1988      **Chief Clinical Dietitian**, Doctors' Hospital, Coral Gables, Florida. Supervised registered dietitians and diet aides; developed and implemented policies, procedures, schedules; conducted inservices, trained employees, monitored food service activities; developed and implemented quality assurance program.
- 1985-1986      **Therapeutic Dietitian**, Kennestone Hospital, Marietta, Georgia. Provided clinical nutritional care for cardiac and diabetic patients. Conducted nutritional assessments, inpatient and outpatient individual diet counseling and taught diabetic classes. Developed nutrition education materials.
- 1984-1985      **Health Care Specialist**, Capitol Foods, Atlanta, Georgia. Involved in sales and marketing of food products to health care institutions. Assisted clients with menu preparation for special diets and marketed a computerized menu program.
- 1982-1983      **Graduate Assistant**, Florida International University, Miami, Florida. Internship program involving teaching nutrition computer programs and providing lab assistance.

GRANTS AWARDED

**Turner, L.W.** (2012). Osteoporosis Prevention Among College Women: Testing a Computerized Educational Theory-Based Intervention. Research Grants, Research Grants Committee, U of A., (Principal Investigator) \$5,885.

Knol LL, **Turner LW.** (2007) Pilot Study to Test Success Story Telling as an Intervention for Diabetes in the Primary Care Setting. Southern Living Research Fund, College of Human Environmental Sciences. (Funded) \$1750.

**Reducing health risk among school-aged children**, (2004). University of Arkansas Department of Health Science, Kinesiology, Recreation and Dance, \$2,000 (Principal Investigator).

**Follow-up Bone Mineral Density Levels and Lifestyle Behaviors of Middle-Aged Women at Risk for Osteoporosis**, (2003) Women's Giving Circle, \$20,587 (Principal Investigator).

**Increasing Calcium Intake Among College Women**, (2003) Midwest Dairy Council, \$650 (Co Investigator)

**Project Urging Senior Health.** (2001) Blue Cross-Blue Shield. (DiBrezza, Shadden, Fort, Turner). \$32,000.

**Effects of behavioral risk factors on peak bone mass among college women.** (2001). University of Arkansas Department of Health Science, Kinesiology, Recreation and Dance, \$2,000 (Principal Investigator).

**Osteoporosis Screening, Education, Referral and Treatment: A Community-Wide Osteoporosis Prevention Project.** (2000) Community Care Foundation. \$69,665 (Principal Investigator)

**Examination of risk factors associated with low bone density and osteoporosis among college women** (2000). University of Arkansas Department of Health Science, Kinesiology, Recreation and Dance Mini-Grants, \$550 (Principal Investigator).

**Adverse drug events in older adults: Generation of a predictive model of occurrences using a national sample, NHANES III.** (1999). University of Arkansas Department of Health Science, Kinesiology, Recreation and Dance Mini-Grants, \$2,000 (Principal Investigator).

**Enhancing teaching through state-of-the-art technology: Use of laser disk players in the classroom:** 1998 Charles and Nadine Baum Teaching Grants Competition, \$777 (Principal Investigator).

**The Effects of physical activity on bone density, osteoporosis, and osteoporotic fracture among a national sample of women** (1998). University of Arkansas Department of Health Science, Kinesiology, Recreation and Dance Mini-Grants, \$1,500 (Principal Investigator).

**Relationships among girdle strength, incidence of back pain and nutrition status in an occupational workplace. (1998)** University of Arkansas Department of Health Science, Kinesiology, Recreation and Dance Mini-Grants, \$1,050 (Co-Investigator).

**Risk Factors For Osteoporosis Among Older U.S. Women.** 1996-1997 University of Alabama (Tuscaloosa) Graduate Council Research Fellowship, (\$10,000) Principal Investigator.

### *Proposals Submitted*

Burton, Creyer, **Turner**, Davis (2005). **Obesity: Problems Stemming from Away-From-Home Food Consumption**, revised and presented for a 2<sup>nd</sup> year to Van Scoyoc and Associates. Requested \$2,000,000 (PI), Recommended by Van Scoyoc: \$1,000,000.

Jones, C., **Turner, L**, DiBrezza, R., Shadden, B. (2005). An intervention to disseminate an effective falls prevention program to community seniors, National Institutes of Health, requested 346,311 (co-PI), rejected.

Turner, Ritter, Davis, Ferguson, Farmer (2004). A school-based nutrition and physical activity intervention, National Institutes of Health, requested \$342,738, (PI), rejected.

Turner, Ritter, Davis, Ferguson, Farmer (2004). A school-based nutrition and physical activity intervention, U of A White paper, requested \$1,000,000, (PI), directed to rewrite and resubmit.
